

# Transferring Dual Credits

Wanting to know how to transfer your dual credit? You need to personally request a transcript from the institutions you received dual credit from and ask them to send it to the institution you plan to attend. For example, dual credit through USD and will be attending DWU. The links below will take you to the designated institutes' site to transfer your credits. Many cost a small fee and have an official form to be completed.

REMINDER: it's your responsibility – if you have questions, see the counselor/principal.
